Fast Facts about Donating Food

Find a Recipient Fast

On average, donations on our site are claimed within an hour.

We've had prepared food claimed in under three minutes!

2,500+ Partners

We work with over 2,500 partners throughout the United States. We verify their eligibility to receive tax deductible donations so donors don't have to.

Always Free to Donate

Donating food via MEANS is always 100% free. We believe that it should be easier and less expensive to donate your unsold food than to throw it away.

Protected From Liability

Food donated to a registered U.S. nonprofit is protected by the federal Bill Emerson Good Samaritan Food Donation Act. We verify our partners' nonprofit status, protecting you from liability.

How to start donating food:

1. Head to <https://www.meansdatabase.org/signup>
2. Post a donation and select the categories it is in
3. Wait for a motivated recipient to claim your donation
4. Connect with the recipient and arrange a pickup time
5. Rate your recipient after the transaction is complete!
